

Rylem Staffing Transforming Businesses and Careers

Rylem's Global Delivery Model at a Glance

Rylem provides flexible nearshore and offshore staffing solutions, with proven success hiring contractors across **India, the Philippines, and Mexico**. We adapt to each client's needs and can source and hire talent wherever your business requires support.

As one of Microsoft's core suppliers, we've also partnered with organizations such as Harbor Global, PACCAR, Journey 360, Seattle Commercial Cleaners, Accordant Investments, Northwest Restaurants, and BizX to meet global workforce needs.

Our expertise spans **Technology, Accounting & Finance, Marketing & Creative, and HR**. We've placed professionals across roles such as:

- **Technology:** .NET Developers, Java Developers, Senior AI/ML Engineers, Senior Full Stack Engineers, AWS Cloud Engineers, DevOps Engineers, Site Reliability Engineers, UI/UX Developers.
- **Accounting & Finance:** Controllers, Accountants, Senior Accountants, Financial Analysts, Accounts Payable Specialists, Vendor Risk Management Supervisors/Analysts.
- **Marketing & Creative:** Marketing Analysts, Marketing Coordinators, Sales Development Representatives.
- **HR & Operations:** Executive Assistants and other key support roles.

Rylem's model is built for speed, flexibility, and quality. We deliver candidate shortlists within 48–72 hours and can scale from individual contributors to full teams. Our contractors are also able to work in U.S. time zones, ensuring seamless collaboration with your teams. Every candidate is vetted through structured recruitment, including background checks and references, to ensure the right fit.

With a dedicated global delivery team of recruiters, Rylem provides ongoing support, onboarding, and performance tracking—helping clients achieve cost efficiency without compromising on expertise.
